2014 GoPro Championship Race Series

Team Information

If you have any questions regarding the Race Series, please feel free to call the BC Race Department at 970-754-6229. A specific set of series rules can be made available to each team once registration is complete. **Here is to a great season of racing in the New Year!**

WELCOME TO THE 2014 GOPRO CHAMPIONSHIP RACE SERIES

GENERAL TEAM INFORMATION

The Beaver Creek Race Department would like to welcome you to the 2014 GoPro Championship Race Series. We would like to invite you to form a team or participate as an individual in the series this season.

The GoPro Championship Race Series will be held on Mondays, starting on January 13th, 2014. The schedule is specifically designed to make it easy for as many people as possible to participate by conducting the races each afternoon in a dual format. After the events we will host an awards party at a number of fun venues where awards, results, video, and raffle prizes will be distributed.

If you have any questions regarding the series please feel free to call the Beaver Creek Race Department at 970-754-6229 or email scoulter@vailresorts.com.

Team Composition:

Size: five racers per team, per race **maximum**. Teams may have more than five racers on their roster (10 in total), but they can only have five racers race each week. Any competitor whose team is full may still race as an individual each week at a cost of $15, but their score can not be counted towards their team. ***Team Rosters must be submitted by January 13th, 2014 and there will be no changes or additions allowed after this date.***

Snowboarders, telemarkers and adaptive athletes are welcome and receive a time discount compared to alpine competitors. Teams may be comprised of any mix of alpine, snowboarders, telemarkers, adaptive males or females that you wish to have from week to week. As we mentioned, your weekly roster of competitors for each team can also vary from week to week.

Team Strategy:

Due to the our scoring system there are a few tips we should give you so everyone has a clear understanding of how to do well this season:

1. Race with a full team of five each week. Your teams score will be hurt significantly if you do not have a full roster of five participate each race day.
2. Additional points are available each week that can add to a teams score if you have a varied roster of competitors. These additional points are given out to a few individual competitors who win their categories each week: men's and women's alpine, snowboard and telemark categories.
3. Plan ahead who will be racing on your team and come to registration with a clear list of who will race for you.
4. Select someone from each team who is willing to spend a little extra time doing some organizing of your team. This "team captain" can really help your team do as well as possible.
5. Be on time for registration. It opens at 9am and closes promptly at 10.45am.

How to Register Your Team

1. Registration takes place each race day from 9:00 AM to 10:45 AM on the second floor of "Race City": the two story building located just West of the bottom of the Centennial Express Lift # 6, above the ski check.
2. Prior to the first event you should pull your team together and complete the attached team roster form.
3. Either mail the roster and a check for $400.00 to BC Race, or drop the form off before January 13th, 2014.

   Team fees are $400.00 if you register <u>and pay</u> by January 13th, 2014, or $450.00/team if you register and pay after January 13th, 2014.
4. Racers will need to fill out a waiver form and pay their entry fee (if the team did not pay the season fee), before they receive their bib. The waiver only needs to be filled out once per racer per season.
5. Each member of a team must tell the registration staff which team they are racing for on a given day. Team Captains can pick up bibs for their team and give registration rosters.
6. Competitors must designate themselves as snowboarders, telemarkers or adaptive racers or they will be scored as an alpine competitor.

Race Day Schedule:

8.30	Centennial Express Lift Opens
9:00 - 10:45	Registration, 2nd floor of Race City, next to Chair 6, above ski check
11:00 - 11:45	Course Inspection
12:00	Race Start for Run # 1 Second run follows immediately after the first **Return bibs at the scoreboard or Race City after 2nd run. If bibs are not returned you will not be entered into the nightly drawing.
4:00	Awards Party (See party schedule below) Race Results, Race Video, Beer, Food
4:30	Raffle Prizes!!!!!!

Race Dates:
