TOUGH MUDDER

Course Route and Obstacle Descriptions

Tough Mudder Course – Obstacle Descriptions

(Obstacle locations are approximate)

1. **Braveheart Charge** - Downhill run on lower slope of Centennial.
2. **Cliff Hanger** - Uphill scramble on slippery lower face of Stacker.
3. **Devil's Beard** - Crawl under a cargo net staked to the ground on the mid slopes of President Ford's.
4. **Trench Warfare** - Crawl through dark, muddy underground tunnels located near the switchbacks on President Ford's.
5. **Log Bog Jog** - Run over, crawl under series of fallen trees stacked randomly along Village to Village Trail.
6. **Shocks on the Rocks** - Crawl through icy water under a live set of electroshock wires. Located just above the bottom of Chair 11.
7. **Berlin Walls #1** - Scale over a series of 8' wooden walls on the flats near Beano's Cabin.
8. **Underwater Tunnels** - Cross Upper Matawan Pond while bobbing under fixed rows of floating barrels.
9. **Swamp Stomp** - Wallow through the shallow, muddy Lower Matawan Pond
10. **Hold Your Wood** - Carry a log up a section of Beaver Lake Trail and carry the log back down.
11. **Arctic Enema** - Climb into and out of one of three lined dumpsters containing icy water and colored dye. Located next to the bottom of Chair 9.
12. **The Gauntlet** - Run through the half-pipe while being sprayed by snowmaking hoses, located in Rodeo Terrain Park on Buckboard.
13. **Sweaty Yeti** - Climb uphill over piles of snow.
14. **Hanging Tough** - Tarzan swing over a pit of muddy water. Located adjacent to the Cinch Road just uphill from top of the Ranch.
15. **Boa Constrictor** - Crawl down corrugated culverts into muddy water on the flat slopes immediately downhill from the top of Chair 6.
16. **Berlin Walls #2** - Scale over a series of 10' wooden walls located near the top of Chair 6.
17. **Log Jammin'** - Crawl under and over a series of stacked logs located on the east side of Spruce Saddle Lodge.
18. **Spider Web** - Climb across vertical suspended cargo nets on Cinch Road.
19. **Kiss of Mud** - Crawl under strands of barbed wire on muddy ground located adjacent to Cinch Road just uphill from the Ranch.
20. **Glacier** - Scale the 10'-12' cliff face of a 25' mound of hard packed snow and slide down the other end.
21. **Twinkle Toes** - Balance on a beam suspended over pit of muddy water.
22. **Funky Monkey** - Cross a series of monkey bars set over a pit of water, located near the base of Chair 2.
23. **Everest** - Run up a steep, slick quarter pipe structure before climbing down the backside. May also have foam or water guns attached to sides.
24. **Electroshock Therapy** - Sprint through a series of overhead strands of string, charged with a pulsing electric charge, powered by an electric fence battery system.
