# How do I get to Beaver Creek and where should I park for the race?

Beaver Creek has free parking at the Base of the Mountain. We recommend using the free lots and taking the free shuttle to the village. There is limited paid parking in the village, but it does fill up fast on weekends. If you would like to use the paid parking, check in at the welcome gate to see if there are still spots available.

To get to the free lots from I-70, exit at Avon (#167) and head south through 3 roundabouts to Highway 6. Take a right at Highway 6 towards Prater Road and follow the signs and parking attendants to the lots. Busses run every 5-10 minutes from these lots to the village. Please plan for 20 minutes to get to the village if parking at the base.

Once dropped off in Beaver Creek Village via the shuttle bus, walk under the covered bridge to the escalators. Take 2 sets of escalators up and turn left to get to the registration/bib pickup on McCoy's Café Patio.

#### Is there a start-list for the Lindsey Vonn Race Series Finals?

Yes. Participants need to pick up their bib at the registration tent. The race is run in bib order and with a dual-format. (Participants who run the Green course for their first run will run the Blue course second run.)

#### Do I need to bring my Season Pass or Epic Day Card to the Finals?

Participants will need their pass or Epic day card for their results to show up in EpicMix and to access the chairlifts. Discounted tickets are available for participants without Season Passes. Come to the registration tent to get a voucher if needed.

#### How will the race be scored for the Lindsey Vonn Race Series Finals?

Race runs at the Finals will be scored through EpicMix applying adjustments for age, gender, discipline (Alpine/Snowboard/Telemark) and adaptive categories, if applicable. Category winners will be determined based on the best run recorded by each racer on either course.

#### Are you dividing age groups into disciplines?

Yes. Awards will be given to the top 3 finishers in each age category per discipline.

### How many times will I be allowed to race on each course during the Finals?

Each racer will have 1 run on each course. After the second run, the course will be open for 1 hour for additional "fun" runs.

## What are the rules for the Lindsey Vonn Race Series Finals?

**Missing gates/Hiking:** Participants who ski off-course and miss a gate will be allowed to hike up to 1 gate. Participants who miss gates and continue down the course or hike more than 1 gate will be disqualified.

**Losing equipment:** Participants must start and cross the finish line with the same equipment on their feet. Participants who lose a ski are allowed to put their ski back on and finish. **Interference:** Participants who are interfered with by another racer or course worker may request a re-run from the closest resort employee course worker.

What happens if I DQ (disqualify) or DNF (Do not finish) one of my runs? The race is being score based on each racers best run for the day. If you DQ or DNF on 1 run you can still complete your second run and be eligible for a medal.

## Will there be course access for family & friends during the race?

Family and friends are encouraged to watch the race from the VIP area below the finish or outside the race course fencing. Inspection is available to participants from 8:30-9:15 am..

At my resort I am asked not to 'shin' the gates. May I shin the gates during the Finals? Shinning the EpixMix Racing gates is discouraged. It is slower than skiing around the gates and can cause the gates to break.
